CDR® System Version 14.1 Software and Hardware

BOSCH
Invented for life

What's new for CDR Version 14.1?

EDR Read-out support for Toyota vehicles in Europe is now available!

Bosch has launched CDR Tool support for Toyota vehicles sold into the European market and added support for smart vehicles for US and Canada markets. Also for 14.1, vehicle coverage was extended to Canada for BMW, Mercedes-Benz, MINI, and Rolls-Royce vehicles. Refer to the *CDR Help File* for more detailed coverage information.

- ▶ Daimler ACM Cable, ID#809 (P/N: 1699200125)
 - Use this cable for imaging EDR data while connecting directly to 2015 smart vehicles

Minimum PC Hardware Requirements

To install and run the CDR software, your PC must meet the minimum hardware requirements listed below:

- Processor Speed: 1GHZ or faster
- RAM: 256MB or more
- Disk Space: 100MB or more
- Video Resolution: 1028 x 768 or higher
- 2 open USB ports (flash drive enabled)

Supported Operating Systems

This version of CDR software is currently supported on the following US Windows® operating systems:

- Windows XP® (Home and Pro for PCs, 32 & 64 bit)
- Windows Vista® (32 & 64 bit)
- Windows 7® (32 & 64 bit)
- Windows 8® (32 & 64 bit)

Software Compatibility with the CDR Interface Module

This software version is compatible only with the blue and green metal CDR interface module marked with a CAN plus logo on its label. Other versions of the CDR module (black plastic or blue units without the CAN plus logo) are not supported and can cause the software not to function as intended. To purchase a current CDR Interface Module (P/N: F00K108954), please contact your local CDR Sales Representative.

Is Your CDR System Hardware Up to Date?

To take full advantage of this new software version, you need to obtain the new CDR Cables released up through CDR version 14.1. You also need to make sure your CDR hardware is up to date. If your CDR Tool has not been updated recently, refer to the *Checklist for v14.1* which can be found on the Bosch Diagnostics CDR website located at <http://www.boschdiagnostics.com/testequipment/CDR/Pages/CDRHome.aspx>. Contact your CDR Sales Representative if you have any questions about the CDR products or you need to order new hardware or a software subscription.
