Description:

Review

"With the first novel of her new Raines of Wind Canyon trilogy, Martin brings us a rugged hero, a strong-willed heroine, and a story filled with romance, grit, tension and suspense set in the Wyoming mountains. Martin definitely delivers."-Romantic Times on Against the Wind

"After reading the first book about the Raines brothers, I knew Kat Martin would have to do something pretty amazing to make her second book as much of a joy to read. As soon as I opened the

book, I realized that she has succeeded. The second book is as amazing as the first. Ms. Martin continues to draw her readers into the stories of these three wonderful brothers...."-Suspense Romance Writers on Against the Fire, 10/10

"Once you start Against the Law, be prepared not to stop until you've reached the end. With its nonstop action, nail biting episodes mixed with some sizzling love scenes, this is one I highly recommend."--Romance Reviews Today

"Kat Martin is one of the best authors around! She has an incredible gift for writing."
-Literary Times

"Martin dishes up sizzling passion and true love, then serves it up with savoir faire."
-Los Angeles Daily News

"4½ quills! Ms. Martin has struck the mother load in her AGAINST series. Against the Law is her third installment in the series and by far the most powerfully intense romantic suspense with its charismatic characters, a story line that defies gravity with enough endorphins and adrenaline driven that even the Die Hard series can't hold a candle to this brilliantly written series. Ms. Martin is a true mistress of the written word that never disappoints her readers."-Romantic Crush Junkies
