Description:

Introducing the new CEN Review Book. With easy to understand lessons and practice test questions

designed to maximize your score, you'll be ready for the exam in no time. Every year, thousands of people think that they are ready for the Certified Emergency Nurse test but realize too late when they get their score back that they were not ready at all. They weren't incapable, and they certainly did their best, but they simply weren't studying the right way. There are a variety of methods to prepare for the CEN Exam...and they get a variety of results. Trivium Test Prep's Certified Emergency Nurse study guide provides the information, secrets, and confidence needed to get you the score you need - the first time around. Losing points on the Certified Emergency Nurse exam can cost you precious time, money, and effort that you shouldn't have to spend. What is in the book? In our CEN study guide, you get the most comprehensive review of all tested concepts. The subjects are easy to understand, and have fully-explained example questions to ensure that you master the material. Best of all, we show you how this information will be applied on the real exam; Realistic CEN questions are included so that you can know, without a doubt, that you are prepared. Our study guide is streamlined and concept-driven so you get better results through more effective study time. Why spend days or even weeks reading through meaningless junk, trying to sort out the helpful information from the fluff? We give you everything you need to know in a concise, comprehensive, and effective package.
