Description:

Review "Family dynamics, werewolf politics and dire prophecy combine to great effect in this fast-paced adventure. If this book is any indication, Carlson has a bright future." (**RT Book Reviews**)

"Quick writing and a heroine women will love make *Full Blooded* a delight to read." (**Vampire Book Club**)

"*Full Blooded's* lore is unique and bewitching, the characters are dynamic and the wolves are howling-ly formidable. The action is unrelenting and the world building is so fluid that you don't

even realize its happening. Every page is better than the last and the ending pretty much guarantees that you'll be reading *Hot Blooded*." (***Rabid Reads***)

"A wild, wolfy ride that will have you howling for more!" (**Kristen Painter, author of *Blood Rights***)

"Amanda Carlson's *Full Blooded* is full of all good things: danger, excitement, an original, LIKEABLE heroine and some great mythological mayhem. Bring on book 2!" (**New York Times and USA Today bestseller Karen Chance**)

"Amanda Carlson's debut novel is a fast paced tale with a cliffhanger ending that left me panting for more. *Full Blooded* left me on the edge of my seat from cover to cover." (**New York Times bestselling author Faith Hunter**)

"A fresh approach to the werewolf tale." (***Library Journal on Full Blooded***)
